

Dixie Chapter Spring Rally May 4-May 7, 2023

The Dixie Chapter will hold their Spring Rally May 4 to the morning of May 7 at Gunter Hill Campground in Alabama. Some of you may remember this park from our Fall 2019 rally before Covid hit. It has been remodeled with upgraded concrete level slabs and new restrooms and showers. We (the Newman's) are scheduled to arrive on May 3 and leave on May 8 and will be on Catoma Loop site #50. The Antioch Loop is currently being upgraded so the Catoma loop is the only one open. These are sites 1 thru 75. This is a popular park so make plans to get those reservations in early through [recreation.gov](https://www.recreation.gov). as sites cannot be held for us. COE takes several kinds of interagency pass discounts. The Golden Age and America the Beautiful make this average about \$15 per night. The park is located at 561 Booth Rd., Montgomery, AL 36108. You can go online and struggle with [recreation.gov](https://www.recreation.gov) as I did or call 1-877-444-6777. The park's office # is 334-269-1053 for information. The office does not handle reservations. It's early in the year so plans have not been solidified yet for night out and potluck. We will keep in touch by email and will place them in the April issue of The Tidings. Once you reserve your spot, please contact Christine Newman at pollytech42@yahoo.com or text me at 813-404-2793. Hope to see many of you there!
