Comments:

After the first period of free membership, the dues will be \$15.00 to maintain your membership. The dues must be paid annually and are due by the end of September of every year. Notice will go out in the May issue of the *Tidings* newsletter. Final notices will be mailed at the first of the year. All dues must be paid by the end of February. If not paid, the member will be dropped from membership. If you join before April 1, you pay dues in September. If you join after April 1, you do not pay in September of that year.
